- 22nd November –school open day
- 16th December—term finishes & nursery closes
- 3rd January—nursery opens
- 4th January—term begins

Jeans for Genes

Please send your children in jeans on Friday 7th October and donate some money to help us raise funds for this charity.

Open mornings

Please feel free to book a place on our school open days (see dates opposite) Informal visits to the Prep Department can be arranged with Liz (Nursery Manager) at a time to suit you. This enables you to see classes and all the facilities we have to offer in action.

Winter clothes

Now the colder weather is setting in, can we ask you to provide named warm / waterproof coats and sensible shoes or wellies as we go on frequent autumn walks!

Fee increase

Please be aware, as from September 12th, the hourly rate is now £4.60. There is a reduction of 15p per hour for siblings. Late charges of £8 per 15 mins still applies.

Lost Property

Lost property is kept in boxes in the entrance hall. Please check them frequently as these boxes will be emptied half termly and given to charity. However, naming everything helps to prevent them being lost !

Holiday arrangements

During the holidays we have fewer children in the Rainbow and Pre Prep classes and therefore we use this quiet time to allow the children to mix together and form new

friendships for the coming term. It's a great opportunity for transition of children and staff.

Half Term

Please note, we are having a 2 week half term from Monday 24th October—Friday 4th November. There will be no grant funding for those 2 weeks.

Pre Prep Harvest Festival

All Pre Prep children and their parents are warmly invited to join us in our harvest celebrations on Wednesday 12th October at 10am in Oakley Hall which is situated in the Preparatory department.

Precious Moments

A video production company will be joining us on 16th & 19th September to film the children in a special "home movie" with a Christmas theme that you can then buy for yourselves, family and friends on DVD. More details will be following in your trays so look out for the leaflet and permission slips. If your child does not attend on those days you are welcome to accompany them on either day.

Parking

Please may we ask that you refrain from parking on the road above the Nursery entrance. This is a narrow part of the road and when cars park here it prevents the School buses from getting down the road. It would also be appreciated if cars did not park right up to the entrance on the lower side as this restricts visibility for cars leaving the car park.
