Home made bread, selection of salads and fresh fruit are available daily.

At Trinity we are proud that 95% of our menu is made from unprocessed food, wherever possible we make everything from scratch using fresh local ingredients responsibly sourced, all our food is prepared in our kitchens by our dedicated catering team and we are able to cater for all your child's dietary requirements, when we do serve sweet treats they are made from scratch using local eggs, flour and wherever possible we use fresh fruit and natural sugars to sweeten our food.

Fresh Whole Fruit is available at every meal in every location, water is the only drink served with lunch.

If you have any questions or concerns regarding the food at Trinity please do not hesitate to reach out to our catering team-
