Funding Requests	<p>Agreed to fund the following requests for a total of £2,480 approx:</p> <ol style="list-style-type: none"> 1) Cinema system in Salle - £1,500 approx for projector, DVD player and speakers. <p>Andy provided a demo in the Salle using equipment he's gathered and refurbished from within the school. Impressed with superior sound quality, many potential benefits for Prep, Senior, Boarders and third parties – school shows, dance/music classes, movie nights, sporting events. Rotary Club already expressed an interest in hiring hall for movie nights.</p> <ol style="list-style-type: none"> 2) Tents/equipment for Duke of Edinburgh/Ten Tors - £500 approx. Lucy Davis attended last meeting to make request and was agreed by Mrs EJ, SC and others at the meeting. 3) 2 x Cookers for Prep - £400 approx. Mrs EJ made request as current cookers are old and need replacing, was agreed. 4) Equipment for Nursery (storage, egg-timers) – approx. £80. Mrs EJ discussed request and was agreed. <p>Agreed that need to do a write-up for Prep Weekly, Senior Voice etc to confirm the funding requests so people aware of where money being spent by the PTA.</p> <p>Awaiting new bank statement but current bank balance is estimated to be £3,700 approx. Allowing for above funding requests this leaves balance of £1,200 approx but still need to make payment to Catering for St Patricks (£700 approx) which is currently under discussion. Once this is paid, remaining balance likely to be around £500, but no other payments expected and hope to raise further monies at upcoming events.</p>	SE/NC
