

THE PREP WEEKLY

4th July 2025

Message from Mr Lovett

We've nearly made it to the end of term and it never fails to shock me how quick time flies - not only this year but the for the past 15 years I have spent at Trinity. This week has seen many occasions where I have realised "This will be the last time that I do this" and although there has been some sadness I've got so many amazing memories. During our Monday assembly I spoke to the Prep Department about 'change' and how it makes us feel. We reflected that change can bring a mixture of nerves and excitement but ultimately after a period of time we look back and find it hard to realise things were any different. Change doesn't get any easier as we get older but the emotions stay the same. Following assembly our pupils spent the morning with their new class teachers and they all came away buoyant about the prospect of moving up a year group in September. So as I write my final Prep Weekly, I would like to thank you all for your support over the years and wish you all a fantastic Summer break. I hope to see as many of you as possible at our end of year events next week.

The Week Ahead

Monday 7th July

Prep 6 Leavers Day Trip.
KS1 Waterfun.

Meet the Teacher @ 3.40

Tuesday 8th July

Prep Speech Day.

Wednesday 9th July

Optional Half Day for Prep.
Term finishes at 12.

After School Clubs

Autumn Term Clubs

Please find below the links for Autumn Term clubs:

EYFS & KS1

<https://forms.office.com/e/FsaHXXBe5f>

KS2

<https://forms.office.com/e/RHacKHgUzx>

A reminder to make a note of your choices and to include your child's name on the form.

Summer Birthday's Coming Up

Cosmo Bingham

Kellan Hersey

Lily Robins

Hannah Till

Eden Muller

Aveline Gilroy

Sophie Stenner-Evans

Arthur Hardy

Fred Mason

Eira Mason

Sam Robinson

George Sheppard

India Bunney

KS2 Swim Gala

Wednesday afternoon saw our final Inter-House competition of the year with our KS2 Swim Gala taking place in glorious sunshine. The standard of swimming was exceptional with every member of KS2 playing their part. After a closely contested gala, Ugbrooke were crowned winners. Well done to our individual Year Group winners: Dante Eykyn & Jess Milsom (3) James Shill & Abigail Barr (4) Levi Rule & Eris Pascall (5) Charlie Boobyer / Henry Lovett & Lucy Hughes (6).

TRINITY

Around the classes

The Lodge By Mrs Bryant

This week, we focused on healthy eating by reading "Kitchen Disco," a fun story about fruit having a nighttime party. The children loved the story and enjoyed listening to a kitchen disco rap.

We also created art with broccoli, carrots, and apples to explore colours and their mixtures. Using pink playdough, which ties into our colour of the week, the children made decorated butterflies. It has been a busy and engaging week!

The Stables By Mrs Wray-Chance

This week we have continued our mini beasts and life cycles topic. We have read number books which encourage 1 less than a given number and also focus on tadpoles changing to frogs and caterpillars to butterflies. This fitted very well with our sensory tuff tray activity which gave the look and feel of frog spawn with Lily pads and play frogs and decorating cupcakes to look like frogs - a very tasty treat! We looked at the caterpillars in the Lodge that have made cocoons around themselves and discussed what will happen next. We made our own Hungry Caterpillar necklaces by threading pasta and card onto a lace to follow a pattern and finished off by making our very own beautiful symmetry butterflies using paint and cotton buds, to add to our wall display.

Reception By Mrs Broom

Reception and nursery had their Early years leavers celebration this week. We had a red carpet and mortar boards and gift bags. They then went for a garden picnic on the field and had cupcakes and squash. We are so proud of all the reception children and all they have achieved this year, they are all superstars!

Around the classes

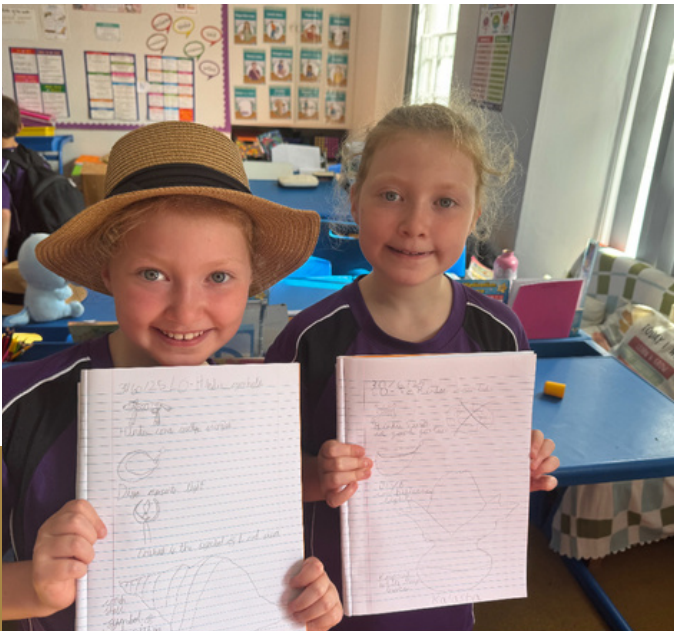

Prep 1 By Mrs May

Real goodies have arrived in Prep One's Maths Sweet Shop! The children have been finding half and a quarter of a number by using their knowledge of halves and doubles and counting in twos and then sharing an amount of sweets between to check answers. Funnily enough, all children were very involved!

Prep 2 By Mrs Miller

Prep 2 had plenty to write about when creating their tourist information leaflet this week following their seaside history lesson and an amazing trip down to town and the beach. Their favourite recommendations are the crazy dinosaur golf, play park and the beach.

Prep 3 By Mrs Young

This week in R.S. Prep 3 have been learning about Hinduism. The place of worship, religious texts and symbols. The class looked at various symbols and learnt about their meaning. They then drew them and described their definition. Fantastic work Prep 3!

Around the classes

Prep 4 By Mrs Hughes

This week Prep 4 loved making pizzas! They took control of the food tech room, responsibly chopped up everything they wanted as toppings and got very creative with their designs! My personal favourites were the oriental garden design and the smiley face with a perm of sweetcorn! As always, the children agreed that homemade was better and they enjoyed eating a slice or two as their morning snack. Excellent food tech again Prep 4, well done!

Prep 5 By Mrs Sutton

This week Prep 5 finished their unit of work on rivers. They took the opportunity to pass on their knowledge to Prep 4, taking on the role of the teacher. Prep 4 were so impressed and engaged that they awarded dojo points to Grace, Huey and Eris! An excellent lesson for all involved.

Prep 6 By Mrs Young

This week in R.S. Prep 6 designed their own quizzes. Using the internet, the class researched facts and images relating to the five major religious faiths and beyond. Some fantastic teamwork and quizzes Prep 6, you really kept me on my toes!

Summer Book Quest

Libraries
Unlimited

TEIGNMOUTH LIBRARY

SATURDAY 12TH JULY | FROM 09.00AM

**SIGN UP TO THE SUMMER BOOK QUEST FROM
09.30AM UNTIL 12.30PM.**
