

THE PREP WEEKLY

Friday, 22nd May, 2026

A message from Mrs Hughes

What a way to end an incredibly busy half term! I enjoy the time each week when I see what all the classes have highlighted as their favourite part of the week's learning. I also enjoy the spontaneous pictures staff send me for the Prep gallery of the children enjoying activities in the class, playtimes and during clubs too- it really highlights how happy and relaxed our children are at school.

Our annual sports day was a success again as im sure you will all agree. It is always great to see how our children cheer each other on, invest in energy and new friendships in their houses and try their very best. After a term of practising the events in sports lessons it is always great to see the children proudly showing their skills to their parents too. A big thankyou to all staff for the organisation of events, running them smoothly and supporting the children. Thankyou to parents who come along to support not only their children but all who take part! It is looking like a beautiful bank holiday weekend, i hope you all get to enjoy the sunshine and the children enjoy a week off relaxing and having fun.

Next term is looking busy- please see the dates I have provided here. Times of some of the events will be confirmed closer to the time so, as always, please check class dojo pages and also the Prep school combined dojo page for timings and any changes that may need to be made.

Enjoy the break. I look forward to seeing you all on Monday 1st June for the last half term of the academic year!

Dates for you diary!

Monday 8th-Wednesday 10th June
Prep 5/6 Residential

Monday 15th June
Reception transition morning

Thursday 18th June
Prep 2 sleepover

Friday 19th June
Prep 6 lead Enterprise market (for whole school, 2.30pm start)

Tuesday 23rd June
NO CLUBS (staff Inset)

Parents Evening

Tuesday 29th June
EYFS trip

Wednesday 1st June
Reception graduation 2-3pm

Friday 3rd July
Year 6 leavers treat day (all day)
Colour rush run 3pm (sign up, see school story on dojo)

Monday 6th July
Move up morning
Meet the teacher 3.30-4pm

Tuesday 7th July
Prep Speech Day (afternoon- time TBC)

Wednesday 8th July
Senior Speech Day
Term ends at 12pm

Prep Life!

U11 Cricket vs Plymouth College

On Wednesday a group of children from Prep 5 and 6 represented Trinity brilliantly playing softball cricket. We travelled to Plymouth College with two teams and enjoyed putting their games lessons to practice in competitive matches.

Miss Moss' team won after a close finish. With the final ball left to play and needing 4 runs Teddy smashed out a 6! My team also showed some excellent fielding skills and won their match comfortably! Ryan was even called the 'fielding demon' by their coach- nothing could get past him! Well done cricketers!

SPORTS DAY 2026!

SPORTS DAY 2026!

Well done Powderham for being crowned the Sports Day champions for both KS1 and KS2!

Class winners: Mena, Eddie, Dante, Jess, Seb, Lilia, Levi and Kitty!

Looking for the perfect way to keep your child active, happy and entertained this May Half-Term?

Our Sporty Stars Multi-Activity Holiday Camp is coming back to Trinity School, Teignmouth this May! A full week of fun, new skills, and friendships – all in a safe, supportive environment run by trained, DBS-checked and enthusiastic coaches

Trinity School, Teignmouth

Tues 26th - Fri 29th May

Ages 5–12

8:15am – 5:15pm (Short & Full-day options)

Why parents love Sporty Stars:

Up to 6+ activities every day (Swimming, Nerf Wars, Glow Sports, Bubble Football, Archery Tag, Inflatables, Multi-Sports & more!)

Fantastic facilities: Swimming pool, climbing wall, large sports hall, 3g pitch & chill-out areas

Safe, inclusive and fun for all abilities

Keeps children active, smiling and making memories all week

Give them a week they'll never forget – and peace of mind for you

Around the classes

The Lodge By Mrs Bryant

This week in the Lodge, we have been focusing on our numbers. We have been practising counting from 1 to 10 through nursery rhymes, stories, and games. The children played a ladybird game where they took turns to throw a dice, count the dots, and then match them to the dots on the leaf. After the game, they turned over the leaf and counted how many ladybirds there were. The children also sorted coloured Pom Poms into pots and counted how many of each colour there were. The children also made flower suncatchers to celebrate National Garden Week to go in our window.

The Stables by Mrs Wray-Chance

This week we have been celebrating Number Day. The children have been engaging in various number activities, that have supported counting both forwards and backwards, from using the 5 little ducks song sack, building number towers using unifix cubes in the tuff tray to listening to Pete the Cat stories about his 4 groovy buttons and the missing cupcakes. The children have been matching numeral to quantity with the numbered ice creams and playing the Insey Winsey Spider game counting the spiders up the spout and hoping the spider doesn't get washed back down!

Reception By Mrs Lovett

This week in forest school reception carried out an experiment to see which food snails like the most! We all made a prediction and then the snails we placed in the middle of the log and we watched as they headed towards their chosen snack. Tomatoes were a clear winner!

Around the classes

Prep 1

By Mrs May

In Maths, Prep One are counting in 2s, 5s and 10s - the start of multiplication / times tables! They placed the Unifix cubes on the 100 grid and said the pattern out loud to really cement these multiples. Some children even extended to counting in 3s!

Prep 2

by Mrs Miller

Prep 2 have been learning about what is safe to eat and what is not. We've learnt about what could be poisonous in and around our school and home and have looked at warning labels on products. We also discussed what to do if we think we have made a mistake and may have eaten something that could harm us. The children were super sensible when role playing different real life scenarios.

Prep 3

By Mrs Young

This week in humanities Prep 3 learnt about European capital cities. The class used the internet to research the key features of both London and Paris; such as population size, currency, language and landmarks. The class then compared the cities. Super research Prep 3!

Around the classes

Prep 4

By Mrs Hughes

In English we have finished our amazing class text-*The Boy at the Back of the Class*. The children have all shown such maturity with the themes that run throughout the story. We have linked our lessons with PSHME and this week discussed racism and gender bias. The children were articulate and reflective. They have enjoyed talking about the differences we all show and enjoyed creating this image to show the skin tones we have in our class alone!

Prep 5

By Mrs Hughes

Prep 5 enjoyed medley relay race practice in their swimming lesson this week. They really impressed me when they were put into two teams of varying confidence and had to decide which of the four strokes to race in- they then raced these in 50m and 25m legs! They cheered each other on, swam their favourite and second favourite stroke and really put a lot of effort in. The races were close and it was great to see how much progress the children have made in swimming!

Prep 6

by Mrs Hughes

Prep 6 have been learning vocabulary to describe food in Spanish. Impressively they have extended their learning to describing healthy and unhealthy foods in Spanish this week. I was very impressed with their spoken vocabulary and written Spanish when I popped into their room today- un gran esfuerzo Prep Seis!

**UKMT Maths
challenge
winners- well
done Prep
Mathematicians**

WOW's

**Grace
Rhianne
Everly
