

THE PREP WEEKLY

25th April 2025

Message from Mr Lovett

I hope you all had a fantastic Easter break – it has been lovely hearing what the children got up to and they have certainly returned with great enthusiasm and energy. As you all know, the Summer Term is always busy and this year is no different! This week we have already had children out on class trips, lessons in full swing and preparations across the entire Prep Department for the athletics season. Next week Year 5&6 will be heading off on their residential to Bristol in what will be an amazing trip with so many exciting activities planned for them. It would be fantastic to see more people begin to take advantage of the drive through drop off system in the morning. I'm sure once you try it and see it in action you will agree that it is a very efficient system that will alleviate parking issues around the school site and make your morning routine a lot easier! This weekend I will be travelling up to London take part in the London Marathon. Think of me on Sunday morning as it is forecast to be sunny and over 20 degrees! I have no doubt I will be hobbling around school on Monday as a result. Have a great weekend.

KS1 Zoo Trip

Prep 1 and 2 had a fantastic day at Paignton Zoo in the sunshine. As a hook for their new topic 'Paws, Claws and Whiskers', they explored all around the site seeing as many of the amazing creatures they could. They had a brilliant guided session learning about animal classification and asked some insightful questions.

A great day out had by everyone.
