

10TH MAY 2024

THE PREP WEEKLY

Message from Mr Lovett

You'll be relieved to hear that I survived the Rugby Tour to Butlin's - it was a great deal of fun and was lovely to see so many Trinitonians in attendance as players and supporters. The short week was certainly appreciated but as you can see from 'The Week Ahead' we have a busy schedule coming up. With the Athletics season really starting to kick off we look forward to seeing how our athletes fare at inter-school competitions and the opportunity to qualify for the ISA National finals at the Alexander Stadium in Birmingham. KS1 have two trips scheduled including the chance to represent the school at the Devon County Show and I'm sure they will come home having had a fantastic time and with handfuls of 'freebies'! Prep 3 & 4 will be setting off on their residential to North Devon and I can personally vouch for the fact that they will have an amazing time. Having attended a couple of years ago, the centre is excellent and the food will definitely give them plenty of sustenance for the action-packed programme they have planned. I hope the packing goes well and just remember that you are only away for a few days - the more you pack, the more you have to carry and look after! It is probably worth saying at this point, if you are unsure of any events that have been communicated over the duration of this term, please do ask! Have a lovely weekend.

THE WEEK AHEAD

Monday 13th May

KS1 Trip to Stover Country Park.

KS2 Athletics @ Exeter Arena.

Tuesday 14th May

SW ISA Athletics @ Exeter Arena.

Wednesday 15th May

Prep 3/4 Residential Departs.

Thursday 16th May

U11 Football v Highweek (A).

Friday 17th May

Prep 3/4 Residential Return.

KS1 Trip to Devon County Show.

Around the classes

The Lodge

By Mrs Broome

This week our activities have been all to do with 'We're going on a bear hunt', we have used different shaped bear cutters in the brown playdough, explored the sensory weetabix tuff tray and made some lovely bear masks using brown paint, tissue paper and felt! 🐻👍

The Stables

By Mrs Wray-Chance

This week we have been learning about keeping ourselves safe in the sun for Sun Awareness Week. We have talked about wearing hats, suncream, sunglasses, drinking water and why these things are important and have practised this in our Beach role play area. We have read different stories about the water and swimming which has allowed us to also talk about keeping safe at the beach and around swimming pools. The children have been looking at and colouring in their own postcards and completing a 'getting ready for the beach' dressing activity.

Reception Class

By Mrs Broom

Reception class have been learning about mini beasts this week. We have looked at a non fiction book all about bugs and will be making our own fact files too, watch this space! They enjoyed making their own bugs using our natural loose parts and even went to find leaves outside to add to their creations! Amazing creativity from reception.

I am pleased to announce that we will again be running a Prep summer holiday club provision during July. Activities will include a timetable consisting of sports, arts & crafts, ICT, swimming and forest school. Holiday club will run from 08.30 – 15.30 on the following dates and will be charged at a rate of £150 for the week:

Week 1: 8/7/24 – 12/7/24

Week 2: 15/7/24 – 19/7/24

Week 3: 22/7/24 – 26/7/24

*Please note that you can only book for the duration of the week and not individual days. If you do not attend a day you will not be refunded the cost. Children will be required to bring in their own packed lunch and snacks for throughout the day and can arrive in comfortable home clothes. Swimming kit will also be needed each day. Can I ask that you book on no later than Friday 21st June using the following link:

Around the classes

Prep 1

By Mrs May

Prep 1 have weekly spellings to learn alongside their phonics lessons. These ten spellings are then "tested" on a Friday morning. We vary the format to assess the spellings and use different media, colours and go inside, outside and on the computers to write the words. The most recent ow ou list of spellings were tested using magnetic phonic tiles and the children did really well with them. Dojo points for all!

Prep 2

By Mrs Miller

It was lovely to get out and enjoy the long awaited sunshine this week. The children industriously created mini beast homes in Forest School ensuring there was shelter, food and water. Great teamwork and creativity from everyone and lots of happy mini beasts. We will check on how many occupants have made new homes next week.

Prep 3

By Mrs Young

This week in Prep 3 the children have been learning about time, the children identified Roman Numerals to 12 and then used clocks to find various times to five-minute intervals. Well done Prep 3!

Work of the Week Friday 10th May

Around the classes

Prep 4

By Mrs Hughes

This week Prep 4 enjoyed the challenge of building a fire and making it stay alight for more than 5 mins- this is harder than you imagine with the damp sticks and light wind they had! They worked really well together to ensure they provided enough oxygen to keep it aflame and not too many sticks to stifle the flames! In the end all groups successfully completed the challenge and were super proud of their fires!

Prep 5

By Rose Hooper & Roman Foxworthy

This week, we have started thinking ahead to our residential. Some of us are a bit nervous but most of the people are excited! In Science, we wanted to build the tallest, most sturdy structure using only raw spaghetti and marshmallows! We discovered that triangles are much stronger shapes than squares. Some of us took part in a cricket fixture. It was a draw. In Food Tech, we made cupcakes. They were yummy.

Prep 6

By Chris Partridge

Prep 6 have managed to cram a lot of activities into a 4-day week this week! We achieved our best ever class results on the end of unit maths assessment, developed water lifesaving skills with Mr Larkman, conducted market research for our Enterprise project, began planning to become sports reporters and have demonstrated that we are truly Revolting Children! We also sadly wave goodbye to our Thai visitors this afternoon after their short sojourn in Prep 6.

BIRTHDAY'S COMING UP
