

Prep Weekly

12th of September 2025

Message from Mr. Emery

We have now completed our second week back at school, and it has been wonderful to see so much learning taking place across all the classes. The children have settled in well and are already showing great enthusiasm for their work and for being part of our Prep community.

In our Assemblies this week, we explored how our actions have ripple effects on those around us. It encouraged the children to think about how even small acts of kindness can spread widely and make a positive difference in our day to day lives.

On Thursday, we also enjoyed coming together in song. The children sang *We've Got the Power*—a song about empowerment and recognising the strength we each have within us. It was uplifting to hear their voices fill the hall with such energy and spirit.

Well done to all our pupils, and thank you to all our Prep Staff for another fantastic week of effort, kindness, and community spirit.

FOR A NEW WEEK OF
ENGAGING LESSONS AND FUN
AS A TRINITY FAMILY!**

PREP IN FOCUS!

THE LODGE – Mrs. Bryant

This week we have been looking at construction. The children have been busy building different structures using the diggers and tools in the role play area. They have been making their own diggers out of different shapes and colours for our display board. They each chose different shapes to fit together to make their own construction vehicles. We have also had different sized diggers in the sand with different sized bricks to construct our own towers. We have had the play-dough out and different transport cutters out to make our own lorries and diggers.

THE STABLES – Mrs. Wray-Chance

This week we have been busy meeting and working with our Prep teachers. We have joined with Mrs Ganner and Reception Class for stories, singing and a literacy activity, Mrs May has been teaching us some French words and numbers, we have had fun with Mrs Sutton in Forest School playing What's the Time Mr Wolf and dancing and moving with Mrs Barlow in Ballet. We have continued our 'All about Me' topic, learning about dental hygiene and brushing teeth and talking about different foods whilst playing the shopping list game. What a fun week!

RECEPTION – Mrs. Ganner

Reception have embraced all areas of learning this week! We've hit the ground running with learning all about each other and ourselves. We have practised writing our names using a variety of media and created fact file posters about ourselves and even begun creating self-portraits using both monochrome effect, with pencils, and colourful paint artistry. Well done Reception, what a busy week we've had and you've continued to settle in so well to our routines!

PREP 1 – Mrs. May

Prep One have been enjoying the book *Ten Little Superheroes* in Literacy this week. They have made a magic movie about six Prep One little superheroes and then imagined themselves as a superhero, choosing a name and describing themselves and their super power. The discussions were superb, and they have tried so hard to write independently, as seen in this display in their classroom.

PREP 2 – Mrs. Miller

Prep 2 superheroes have had so much fun acting as their favourite character from the 'Ten Little Superheroes' book this week. They have learnt about proper nouns for names and onomatopoeia and had so many excellent ideas for their own work.

PREP 3 – Mrs. Young

This week in mathematics the class have enjoyed learning about place value. The children have learnt to position numbers on a number line, identify hundreds numbers to 1000 and also represent numbers to 1000. It has been a pleasure to see lots of extension tasks being completed this week. Keep up the fantastic work Prep 3!

PREP 4 – Mrs. Hughes

This week Prep 4 thoroughly enjoyed working together to create obstacle courses for their peers to navigate around...blindfolded! They used their imagination, communication skills and patience to create fun and challenging courses for each other in our Forest School area. Well done Prep 4.

PREP 5 – Mrs. Sutton

In Humanities this week, Prep 5 did an amazing job of learning some OS map symbols. At the end of the lesson, I challenged them to name as many as they could. They correctly identified 38 of the 41 cards I gave them!!! Outstanding teamwork Prep 5!

PREP 6 – Mr. Partridge

Prep 6 have had a busy week of curriculum lessons and it had been wonderful to see them all growing into ownership of their learning in different ways. The confidence to explore more ambitious writing in English and the diligence for accurate pelt in maths has stood out. I hope everyone has a restful week and comes back firing on all cylinders again on Monday

Announcements

Due to new safeguarding regulations, adults are kindly asked to refrain from entering the children's changing rooms at any time of the day. Mondays till Thursdays, students are using them to change from swimming am and pm, so we have placed a barrier to ensure their privacy.

If your child does early morning swimming, please do not come into the building to drop their bags, but leave them outside the building and a member of staff will bring them in. From Tuesday, there will be a waterproof box outside for this reason.

As always, if you need to meet a member of staff then we are always available on Dojo and can arrange an in person meeting if needed.

Thank you for your understanding.
