

New Trinity Prefects rise to giant Year 10 challenge

'Superb' Dartmoor training

Our annual Prefect Training course saw our student leaders tested more than ever before. In the past they have had to do dawn search and rescue exercises on Dartmoor, looking for lost students and injured persons, but this year they were not just working as a Prefect team, they were surprised by having to lead and manage a whole day of team building activities for our Year 10 students.

Having prepared for what they thought was an inter-Prefect competition, the Sixth Formers found out, 'Top Gear' style, at 8:30 a.m. when they were presented with an envelope simply stating that 50 Year 10 students had left Trinity en route to Dartmoor for a day of activities to be led by them! They had 90 minutes to be ready.

There was a second surprise - the Year 10 students had no idea what they faced or who would be running it. The stu-

dents were split up into 6 mixed teams led by a pairs of Prefects, with each Prefect leading selected tasks which would test and develop their leadership skills while being observed by their peers and staff. The events undertook varied from Mental Challenges such as building a giant wooden dome, and breaking double cipher codes; to Problem Solving, such as developing a solution to drain as much water as they could from a river, and crossing a lava river with only 3 planks and a couple of crates; and of course the inevitable physical challenges such as orienteering and filling a leaking water tower in a race against the clock.

We have to thank the Year 10 students who were great sports. They really benefited from their day, as they worked in teams with others whom they may not normally come across. All the students have now seen the standard of leadership which faces them when they reach the Sixth Form. Back at school, there has been a great buzz of enthusiasm in this current group of Year 12 students and we look forward to seeing this grow next term.

The Prefects performed phenomenally well, using the skills and knowledge they had picked up in the first part of the course. They reflected on how the leadership aspect was successful but the management of the tasks and students was the most challenging. This wonderfully mature approach to this event was seen throughout their 3 days on Dartmoor. It was 60 hours of surprises and challenges. There was no rest for the Prefects as they faced more tasks culminating in them sleeping rough on the moors in home-made shelters. Lucky for them the weather was perfect but there were still some surprises as one team kept being visited by frogs during the night!

Mark Acher (more on page 15)

Outstanding final pieces from GCSE and A level Design and Technology students....

It has been a great year for our DT students . A much larger group than normal has been able to produce some outstanding coursework material. Here we feature just a selection of this year's practical work. Head of Design and Technology, Ed Donaldson, was full of praise for all of this year's students, including those whose work we have not been able to feature. 'Everyone has put in a lot of hard work into their projects, and

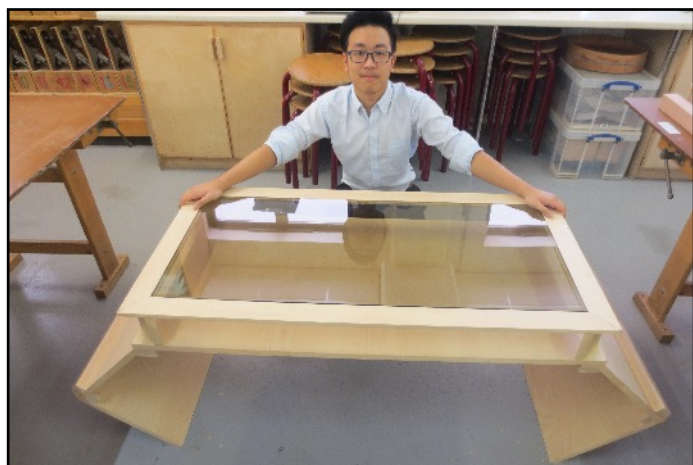

the level of commitment has been extremely high. Pupils seem to have enjoyed their year, with many of them proud of having produced 'shop quality' products.

Featured clockwise on this page from top left are Tristan Whipps with his gadget tidy box which was made from oak; Emily Ware with her teak jewellery box; Callum Reade with his superbly crafted fishing tackle box; Amelia Tlusty with her swivel bookcase made from a recycled pallet; Jacob Poole displays his centre console for an old Land Rover which he is restoring; Eric Yan showing off his pine coffee table; James Bates next to his solid pine TV stand.

The page opposite features the rest of our coffee table 'gang', as Pete Saowapak shows us his visually impressive maple table, then Arbi Shakhgiriev and Tim Wang proudly display their creations in oak and beech respectively.

**.....not forgetting the
'coffee table gang'!**

National ISA Athletics successes

Those following us on Twitter will have seen that Benjamin Coen and Ben White from Prep Department, and Lucy Clarke from Senior Department covered themselves in glory at the National ISA Athletics Championship, held recently at the prestigious Alexander Athletics Stadium in Birmingham. This is a track that has been graced in the past by many top international athletes such as Usain Bolt. Benjamin won silver in the cricket ball throw and Ben a bronze in high jump, while Lucy won bronze in 1500m.

The standard of athletics at these events is very high which makes their achievement all the more impressive. Congratulations to all!

Summer term fun at Trinity nursery!

It has been a splendid Summer term at our nursery

Even before the long spell of fine and sunny weather that we enjoyed in June, the children were spending a lot of time outdoors, doing a variety of activities in the lovely school grounds.

You can see from these photographs that, through bug hunts and mud hunts, walks and talks, and all kinds of physical activities, our children have been having great fun as they learn.

"Let's go on a bug hunt"

"Where did that pink snow come from?"

"Mud, mud, glorious mud!"

"Are we really in England?"

"Let's all work as a team!"

The boys have obviously learned from watching all those roadworks on Exeter Road!

"How high can you jump?"

"A helping hand makes even difficult tasks feel easier"

Phenomenal success in English Speaking Board examinations!

What a lovely day we had when our examiner Briony Huntley came to see children from Prep 2 upwards taking their ESB exams. Many of them were taking their first EVER exam and to be perfectly honest I don't know who was more impressed Mrs Huntley or me! The children were fantastic, demonstrating all of the skills for ESB in 'shed loads'. We had talks on various sports, animals and hobbies. Children read from authors such as Enid Blyton, Michael Morpurgo and Francesca Simon and they recited the most eclectic selection of poetry.

Mrs Huntley was effusive but my favourite comment was how, when it comes to the presentation section of the exam, our pupils are natural, not trying to remember scripts, "they actually get it". Later on in an email... "What a joy it was to come to Trinity last week to examine your pupils. Huge congratulations to all concerned - I feel very blessed that you were my final assessment for ESB!"

English Speaking Board activity continues to thrive at Trinity with many children in the Prep Department taking up the opportunity to improve their levels of confidence and eloquence in spoken English. It relates to many other areas of the curriculum, most especially Literacy, Speaking and Listening. No fewer than 41 children took it up this year. Trinity had a raft of participants, class winners and overall champions at various Speech and Drama Festivals across the county this year and many of these children were supported via ESB lessons. Oh yes, and the results for this set of exams? An amazing series of Distinctions in different tests for the following pupils:

Keira Down, Connor Fitzpatrick, Beth Holley, Xarinelle Keay, Sebastian Linnitt, Oliver Protheroe, Amber Troughton, Jason Carcamo-Neill, Harrison Linnitt, Louis Clark, Bodie Blake, Samuel Entwistle, Eric Galvao, Blake Jeffery, Devon Muzvimwe, William Robinson, Lewis Ward.

Julia Ward

Stylish Send Off for Upper Sixth at Leavers Ball

It was a great turnout at the Sixth Form Leavers Ball, with over 100 student guests, plus many staff and partners. After a drinks reception on the terrace in the school grounds the party began in earnest at our regular venue, The Livermead House Hotel, 'an elegant hotel built in 1820 offering a traditional flavour, and breathtaking sea views'. There followed a lively evening of dancing and entertainment, which included a waltz performed by Upper Sixth students, a song and dance routine by some brave staff, and a disco.

We were treated to an excellent duet performed by Spencer Wright and Poppy Davis, and later on there was the part that everyone looks forward to, the prize-giving and awards ceremony.

Farewell and Thanks to our Heads of School

It hardly seems a whole year since Connie Wisker (above centre left) and Resi Heil (above centre right) came through a very demanding selection process to become Heads of School, yet here we are about to say 'goodbye'!

Head of Sixth Form, Mark Acher, was very appreciative of the role the students have played in the life of the school, and Sixth Form in particular. 'I would like to say a huge 'thank you' to them for the way they have fulfilled their duties. Only exceptional students are chosen for these high profile positions, as they involve a lot of hard work on top of their normal school activities,' he said.

'I am sure both of these young women have an exciting future ahead of them', he continued, 'Resi is a German national with a very broad outlook on life and education,

having been educated on a Tall Ship prior to joining Trinity for A levels. Her global mindset has helped her to gain a lot from her time with us, and we are sure that this will continue to serve her well. She leaves us to join Miami Ad School of Pop Culture and Engineering in Hamburg, where she will be studying Graphic Design.

We asked Connie, who has been at Trinity since Year 7, and is hoping to go to Surrey University to study Biomedical Sciences, to list some of the highlights of her time here.

She mentioned the 3-day Prefect Training course on Dartmoor, the day-to-day close working relationships with teachers, and becoming Head of School. 'The best experience of all was the 2 week trip with the Calabash Trust, where we were sent to work with deprived communities in a South African township. It was hard work, challenging in every way, but an absolutely amazing, incredible experience,' said Connie.

Hymn: "Here I am Lord" (please stand)

I, the Lord of sea and sky,

I have heard my people cry.

All who dwell in dark and sin,

My hand will save.

I, who made the stars of night

I will make their darkness bright

Who will bear my light to them?

Whom shall I send?

Here I am, Lord. Is it I, Lord?

I have heard you calling in the night.

I will go, Lord, if you lead me.

I will hold your people in my heart.

I, the Lord of wind and flame,

I will send the poor and lame.

I will set a feast for them.

My hand will save.

Finest bread I will provide,

Till their hearts be satisfied.

I will give my life to them.

Whom shall I send?

Prize Giving and Speech Day

Thursday 3rd July 2014

Guest Speaker - Reverend Jonathon McNairn

Reverend Jonathon began his professional life as a solicitor, spending ten years based in London, but also working within Europe. He has served for five years as a commissioned officer in the Territorial Army, with experience of leadership in taxing circumstances. He was ordained in 2011 and has recently completed his curacy in Gloucester, during which he had placements at a number of schools. He has also, this month, become a published author, being a co-editor and writer of a book called 'Being a Curate - stories of what it's really like'. Rev. Jonathon will be joining Trinity as our Anglican Chaplain in September.

Vote of Thanks - Connie Wisker (Head of School)

--- O ---

The School Hymn "Lord, for the years" (Please stand)

Lord, for the years your love has kept and guided,

Urged and inspired us, cheered us on our way,

Sought us and saved us, pardoned and provided:

Lord of the years, we bring our thanks today.

Lord, for that Word, the Word of life which fires us,

Speaks to our hearts and sets our souls ablaze,

Teaches and trains, rebukes us and inspires us:

Lord of the Word, receive your people's praise.

Lord, for our land, in this our generation,

Spirits oppressed by pleasure, wealth and care:

For young and old, for commonwealth and nation,

Lord of our land, be pleased to hear our prayer.

Lord, for our world, where men disown and doubt you,

Loveless in strength, and comfortless in pain,

Hungry and helpless, lost indeed without you:

Lord of the world, we pray that Christ may reign.

Lord for ourselves, in living power remake us -

Self on the cross and Christ upon the throne,

Past put behind us, for the future take us,

Lord of our lives, to live for Christ alone.

11.45 Drinks and canapés, followed by ice creams, frozen yogurts and strawberries served to day parents, staff and pupils from Farm Lane and the area around the marquee and on the White House veranda for boarding parents, staff and pupils

13.00 Leavers' Lunch for Upper Sixth leavers and their parents, Guests and Governors (Salle)

Other Award

Library Reading Cup **Will Collinson**

Trinity music brightens Devon County Show

Prep and Senior students impressed onlookers with their musical talents at this year's Devon County Show.

This is a high profile event in the regional calendar, and Trinity always has a significant presence. One feature that never fails to impress crowds, as they pass our exhibition, is the programme of musical performances by our pupils. In fact, many regular show attendees often stop by to ask when the performances are to take place so that they don't miss them!

This year we had excellent contributions from pupils of all ages, including the delightful Prep choir, who sang songs that had brought them so much success at the Torbay festival earlier in the month. There was the Year 10 rock band, The Formula, who played covers of famous tracks by bands such as The Arctic Monkeys. According to Mrs Rachael Arkell, Head of Music in our Senior Department, 'these boys are definitely a band to watch out for. I think they blew everyone away!!'

We heard memorable duets and other performances by several students. The Year 9 pupils all performed brilliantly and with such professionalism. There was a particularly stunning operatic performance by Emma Hawley, with her rendition of Franz Schubert's Wiesenlied, accompanied by Mrs Arkell. Emma Hawley sang her Schubert solo and then was joined by Lauren Gibbons in a vocal duet, both performances were thought provoking and beautiful. Emma Hayes performed 'On my own' from Les Miserables, such an emotive and impressive performance. Finally we had the ever inspiring 'dynamic duo' that is Poppy Davis and Spencer Wright, a fine tuned and extremely accomplished performance from them.

Mrs Arkell says she has never been so proud of a group of performers before, with what seems to be their never ending talent. Well done to everyone involved!

The wonderful weekend life of a Trinity boarder

We have up to 120 boarders in our school community, with ages ranging from 11 to 18 years old. Many of them are from countries other than the UK, so at weekends we like to give them a sample of what life here in the beautiful South West of England has to offer. Examples of this term's activities include surfing, a beach barbeque, stand-up paddle boarding, a trip to Splashdown Water Park, a swim barbeque, and a sea fishing trip.

Away from the water (this is Devon, after all!), students have taken part in activities such as paint-your-own-pottery, horse riding, a cinema trip, and go-karting, just to name a few.

What some of our boarders say about their weekend trips....

Here are some of the things that our students said when we recently asked a few boarders to tell us what they had particularly enjoyed at weekends:

"My favourite trip this term was the surfing trip to Bantam. I really enjoyed it. The beach was so beautiful, the weather was perfect, and the BBQ was also amazing. I've never been surfing before so it was quite nice to have an instructor who could explain it to me. I even managed to stand up on the board twice. That was actually the best trip." By *Paulina Risse*

"In June we went on a fishing trip. It was amazing. First we took the ferry from Torquay to Brixham, and then we went on a two hour fishing trip around Berry Head. I caught eight mackerel, and altogether we caught over forty! Later on we saw four big seals laying on the cliffs and rolling into the sea. We got very close and took some great pictures. On the way back the fisherman allowed us to steer the boat, and happily we made it back! " By *Farida Soliman*

"This term has been super-duper. I loved the cycling trip along Exeter Canal; we should do it every term." By *Abi Smith*

I really enjoyed the clay pigeon shooting even though I have a huge bruise on my arm. I also loved the quad biking; I really want to do it again. Boarding is great fun and it's nice when we have others around us to make friends with and learn things from. I think it altogether is an awesome school and you should feel very happy and safe here. By *Jessie Gregory*

Fantastic weather for Senior Sports Day

Pictured below from left to right: A lovely day for sport by the sea; What happened next ? Jordan's trail of destruction (it worked, didn't it?)

More action from Prefect training...

The Headmaster came out to Prefect Training on Dartmoor to speak about the challenges of leadership and management as well as facing an open Question and Answer session with the students. Their questions this year were very insightful and the best we have had in the 4 years we have run the course. The Prefects recognised the Headmaster's commitment to the course and this emphasised the importance of their role in our school community and beyond.

This course would not have been possible without the incredible support of the staff who plan and deliver the Prefect Training course at a very busy time of year. As a school we believe in investing in all our students and this group of Prefects, we hope will become the leaders of the future. This was a wonderful example of Trinitonians at their best. Speaking afterwards about his Dartmoor Prefect training, Oliver Knapman was full of praise for the event, "It was by far the best trip I have ever been on in this school, and I've been here a long time (since I was 3!) - I think every student should get the chance to go on it!"

...and the Year 10 Dartmoor challenges

Do you have a news story we can publish?

Contact: Email Mike Farish news@trinityschool.co.uk

A year in the life of Senior Drama Department

We asked Fenella Cooke, Head of Drama in the Senior Department, if she would like to detail the immense range of events and activities which have benefited her students during the course of a year. So here are the highlights...

December 2013 - Year 8 Performance "The Wizard of Trin" to a packed out audience - their own interpretation of "The Wizard of Oz".

December 2013 - Year 9 Performance to Prep and Nursery of the legend of the Christmas Robin Sunday; Little Mermaid trip with Key Stages 4 and 5 at the Bristol Old Vic.

January - Beth Laverack performs "Inevitable by the age we are" at The Bike Shed Theatre in Exeter; Year 12 Acting Master class at University of St Mark and St John; Key Stages 3, 4, and 5 theatre trip Trip to West Side Story; February - Key Stages 4 and 5 theatre trip to "Hammer and Tongs" by Theatre Alibi at Exeter Phoenix.

March - "The Women who cooked Her Husband". Year 12 Performing Arts students perform an exciting interpretation of this black comedy. (Opposite right)

April - Year 10 "Freedom" Performance. Students work hard to put together a selection of monologues and duologues all exploring the theme of Freedom. The Lamda students also perform their examination pieces; Dance assessment - Year 12 students perform three dances which will be assessed as part of their Skills Development Unit. The students learn tap dance, modern dance and a piece of lyrical dance.

May - Year 12 Devised piece "Everyone loves the Internet...." performed to Year 9; Laurel Watts takes her Grade 6 in Speech and Drama.

June - Year 10 trip to "Raw Emerging" at Exeter Northcott Theatre, to see University Students' final year performances; Beth Lavarack takes her PCert Lam Lamda qualification; Year 7 and 8 Performing Arts day on 'Les Miserables' then a trip to Exeter Northcott theatre to see the schools edition

And finally, on 30 June there was the Key Stage 3 Performance of "Aesop's Fables" in the Salle

www.trinityschool.co.uk
