

TRINITY SCHOOL

Careers Fair

Monday 25th November 2019

Trinity School would like to thank all the companies and individuals who have kindly given up their time to talk with Trinitonians to help them start to look ahead to the world of opportunities after school. We massively appreciate them investing time in our pupils

We hope that this event will also be an opportunity for networking between our visitors and our community.

If your company would like to support Trinitonians through work experience, being a guest speaker at school or arranging a visit to your place of work

– please contact Mr Acher – Seniortutor@trinityschool.co.uk

The aims of this year's Careers Fair are to give the opportunity for:

Pupils to:

- get use to speaking to unfamiliar adults about their future (similar to an interview).
- ask questions and engage with employers about possible careers.
- prepare for an event; through research and question planning.
- explore opportunities for work experience.

Parents and Guardians to:

- update their knowledge of the work place – recruitment, pathways and challenges.
- understand changes in the work environment – entry to the world of work has changed a great deal over the last decade.

Visiting Employers:

- Meet with inspiring Trinitonians who might be the person they are looking for in the future
- Network with other employers and parents.

Visiting Employers 2019

Company	Sector of Industry	About	Attending & Roles	Website
